

# io mini

N A S A L M A S K

- Small, light and easy to fit
- Quick release headgear clip for simple attachment and removal
- Ergonomically designed cushion to maximize patient comfort

*io Mini-Nasal mask was designed with one goal in mind: simplicity.*

Composed of only 2 parts, this mask is extremely easy to fit and clean. Its lightweight and small profile make it a perfect mask for patients looking for a lighter and less obtrusive mask. The iO has quiet venting and very soft silicone cushioning to improve patient comfort.
