Extended Warranty

Extended Warranty option is only available at the time of purchase.

3-year extended warranty option will add to the standard 2-year manufacturer warranty period, giving you peace of mind for up to 5 years of coverage.

If the product fails to perform in accordance with the product specifications, 3B Medical, Inc. will repair or replace, at its option, the defective material or part. This Extended Warranty does not cover damage caused by accident, misuse, abuse, alteration and other defects not related to material or workmanship.

Extended Warranty covers *Domestic* Shipping back to you. Shipping the machine to us for an Extended Warranty diagnostic is the customer's responsibility. Please contact us for all Extended Warranty claims or questions.
