# REACT HEALTH CONNECT™

## New Cloud-Based Data Sharing Platform For Sleep and Respiratory Devices

✓ Market-leading ability to drill into data, with extended search for physicians

✓ Data from all sources consolidated in one location, including wireless, SD card, and QR+ code uploads

✓ Enhanced graphic layout with intuitive, user-friendly navigation

✓ Refreshed reporting, enhanced security, HIPAA compliant

✓ Remote management of patient prescription

✓ Care teams can remotely view trends, track compliance, and make informed treatment decisions

REACT HEALTH

## Customizable patient data displays

- ✓ Configure date range
- ✓ See daily averages
- ✓ Confirm initial compliance
- ✓ Toggle between horizontal, vertical and details views

**Patient** Doe, Jane
**Status** Active
**Date of Birth** Sep 8, 1985 (38)
**Patient ID** 4656-58
**Therapy Start** May 27, 2022
**Initial Compliance** ✓
**Current Device** B3C00000000
